A Band Called Honalee is a modern-day folk trio inspired by the music and legacy of Peter, Paul and Mary. Musically accomplished, interactive and energetic, their shows allow audiences to experience this timeless music live onstage once again. The group believes the melodies and messages of the 1960s folk and folk/rock era are just as relevant today as they were when they were first sung, perhaps even more so. Their mission is to share this uniquely American music with new audiences, while rekindling the passion of life-long fans. Most of all, they celebrate the power of these songs to inspire people and bring them together once again.

Travis LeDoyt Tribute to the King

Thursday May 4, 2017
<https://vimeo.com/139404324>

In 1956, a young singer named Elvis Presley broke onto the American music scene with his now classic 'Heartbreak Hotel'. By 1960, the young performer had established himself among the vanguard of a new genre known as Rock 'n' Roll. Travis LeDoyt's 'Tribute to the King' takes us back to those early years with songs such as "Love Me Tender", "Hound Dog", "Are You Lonesome Tonight" and other memorable hits from the classic period of Rock. More than an impersonator, Travis re-creates the flavor and excitement of this evolving new genre while weaving the story of the young Elvis and his songs into the narrative of the evening. Come out for a rockin' good time with Elvis/Travis for the grand finale of the BCCA 2016-17 season.
